Heralds and Scribes Thank Yous

Warm and gracious greetings unto all who read these letters,

Another Heralds & Scribes event has come and gone and I want to present and thank the Dream Team that brought this event to you. I apologize for the length of this missive, but many people put in long hours to make this a successful event.

First and foremost to Their Excellencies of al-Barran, Sir Trevor and The Honorable Lady Femina, who agreed to al-arran hosting the event even though the barony would be host to another event just a week away. Thank you for your support of this event.

To Mistress Cailte Caitchairn who put on a fabulous spread for both breakfast and lunch at a difficult site. To all her pretty little helpers and cooks who labored countless hours to make the food and all the wonderful heraldic desserts, and those who helped with the food on site. It was quite amazing and delicious.

To Lady Emer who coordinated Gate, and her assistants Her Ladyship Delia the Rose of Thorncastle, Lady Diana of Llanberis and Lyneya de Fildes. Thank you for handling all the gate details, directing people to classes and acting as the contact point for passing along information as needed.

To Lord Gauvain, for doing all the leg work and paper pushing to get us the site and appropriate clearances to hold the event and the use of the Duck Pond at UNM; for handling those last minute requests so graciously. You can be my site coordinator anytime!

To Duke Artan MacAilin, for coordinating the heavy weapons fighting at the Duck Pond so that the field heralds could put into practice what they learned in class; to Lady Elisabeau d'Calais and Lord Gilbert for coordinating the light weapons tourney, and to Countess Anne Aliz who ran both lists. To THL Cristobal for teaching the field heraldry class and the on-the-job training opportunity he provided to the newest field heralds of the Outlands.

To THL Tana à l'Esprit Fort for coordinating the Heraldic Garb contest at Heralds & Scribes and later at the Court Dance Ball.

To Countess Anne Aliz who volunteered to be in those places I couldn't be so I could attend to more pressing autocratic issues.

To Duchess Leah Kasmira of Natterhelm for coordinating Crash space and agreeing to handle Lost and Found. I learned some valuable tips I'm tucking away for future use.

To Master Balthazar for spearheading site cleanup, for heralding court for Their Excellencies, and assisting here and there throughout the day.

Baron Thorkell Bjornsson for coordinating reservations and helping with pre-event and post event details, running numerous errands, and for patience beyond that of Job!

To Lord Gere Thorkellson for the awesome site tokens (I think we have another leatherworker in the making), and for running around all day hauling stuff around site, to the Duck Pond and back again and assisting people up and down stairs when the elevator gave out.

To Lady Danica and Lord Wulfgar for their kind and gracious assistance with the SCA road signs.

To our Kingdom Exchequer, Lady Thyra, for her proactive and speedy assistance that ensured the printing of the scribes handbook so it could be delivered in time for the event. Hola and THANK YOU!!

To THL Jorun ni Iochlain for continuing to make the awesome individually handcrafted beads to thank the scribes and ensuring that a new batch arrived at the event.

To Mistress Cailte and Lady Mor for the poem and sonnet in praise of heralds and scribes.

To Mistress Bennet Murray, Mistress Tatiana Pavlovna Sokolova and Lady Sorcha MacLeod for coordinating the scribal and heraldic classes; To the excellent team of teachers who came from all over the kingdom to share and further the heraldic and scribal knowledge in the Outlands. To the scribal team: Mistress Arwen Southernwood, Mistress Averil du Bois d'Avignon, Mistress Bennet Murray, Mistress Cailte Caitchairn, Mistress Eirene Tzimiskina Kontostephanina, THL Guillaume de Gonzac, THL Gwendolen McIver, Mistress Joella of Blue Lion's Gate, Mistress Monika von Zell, Mistress Mistress Rhianwen o Enfys Disberod, Mistress Tatiana Pavlovna Sokolova and Baroness Wyndylyn Leanb na Doinneann.

To the heraldic team: Lord Aethelwulf, THL Alia Marie de Blois, Master Balthazar Tegero, THL Cristobal Vasquez de Narriahondo, Lady Jeanne-Marie Dubois, Duchess Kathryn of Iveragh, Lady Katrein Adler, Lady Mor inghen Chathail, Sheik Omar Mohammud Mirzazadeh, THL Pendar the Bard, Lady Sorcha MacLeod, THL Tana à l'Esprit Fort, Baron Thorkell Bjornsson, and Baroness Wyndylyn Leanb na Doinneann.

To Lord Gauvain and Lady Barbara, The Scorpion Scales and al-Barran Court dancers for putting on the premier Heralds & Scribes Court Dance Ball. I heard it was wonderful and enjoyed by all who attended.

And to all those who traveled from near and far to attend the event and take the classes. I hope you had fun and were able to take some new and exciting things back home with you.

Thank You one and all

Maria Sol de Leon

Event Coordinator

From Hoegaarden and Chiara,
King and Queen of the Outlands

Unto the Glorious Kingdom of the Outlands do Hoegaarden and Chiara send greetings;

Our time upon the thrones of the Outlands has been an absolute joy! There have been so many individuals who have poured their heart out, giving so much to our kingdom. You have all inspired us to greater deeds than we could have imagined. We are incredibly proud of this mighty kingdom and the achievements of our fair Outlands. We thank the entire populace for your support, the beaming smiles we have witnessed at every event and the laughter we have been able to share with you. Know that we appreciate your efforts and you have made our dream of the mighty Outlands a reality.

Congratulations to Baron Conrade du Mongomerie on his admittance into the ancient and honorable Order of the Pelican at Sworded Affaire. You have been an inspiration to many of the populace with your chivalry and service. Mistress Hedwig was recognized as a member of the Order of the Laurel at Kingdom Arts and Sciences. Her teaching and creations are outstanding and her charm and kindness warm our hearts. At coronation, we will admit Baron Michael of Endrock into the Order of the Chivalry. His courtesy and melee prowess are known throughout the knowne world and we are proud to call him ours; an Outlander.

Our final months as King and Queen of these wondrous lands have been phenomenal. There has been courtesy and kindness at every turn. We had a fabulous time at crown tourney. The fighting was spectacular and we thank each of the combatants for such a fine display of prowess and chivalry. We also thank Gundahar, Lucrezia and the shire of Gleann Medonach for showing us such excellent hospitality and kindheartedness. Our campaign in the south at Gulf Wars was a huge success. We were able to field twenty five heavy fighters on the field for many of the battles. We renewed our alliance with Calontir and made many new ones as we stood side by side, dodging arrows and bolts as we swept through our foe. Thank you to the many, many people who assisted us in our travels at Gulf Wars; Duke Olaf, Sir Maverikki, Mistress Claudia, Lady Mally, Lord Naxos, Lord Torchen, Duke Verron and Sir Asad all went way beyond any of our expectations to ensure we all had an Outlandish time on foreign soil. We each had one of the greatest times on the rapier field at Sworded Affaire. The friendliness and precision of the combat was inspiring and we were more than happy to join you all on the field for a great time. The laughter and pure fun of the event lightened our hearts and presented us with a fabulous tale of "Angus and the missing dagger." We would also thank our gracious hosts, Duke Hrothgar and Duchess Madigan, for their hospitality and shared wisdom. Our travels have been full of great experiences, meeting the most incredible, kind, enthusiastic people the world has to offer.

Please join us at Coronation in the Canton of Hawk's Hollow, within the Barony of Caerthe. We will share our final words with our good populace early in the morning, then pass on the great traditions of the Stag kingdom. Rejoice as Prince Giovanni and Princess Cainnleach are proclaimed throughout the land, King and Queen of the Outlands. We hope to see you all in attendance, sharing the glory of the gold and green and the great leaping stag.

In service to the mighty Kingdom of the Outlands,

Farewell,

Hoegaarden *Chiara*
Hoegaarden Chiara

From the SCA

Greetings unto the membership of the SCA,

Recently the Board of Directors received a request asking us to review the current rules governing the types of SCA memberships that count toward the status of recognized groups, and to consider allowing all types of memberships (including Associate and Family) to be counted in the makeup of SCA branches. Under our current rules, which have remained unchanged for some 20 years, only subscribing memberships (Sustaining and International) are counted toward the minimum number of members required for SCA branches.

Similar suggestions were made by a number of individuals in the recent membership survey, and the Board feels this would be a positive change which would benefit both SCA branches and individual members. To that end, we are seeking commentary from the membership on the following:

1. Should all types of membership (Sustaining, International, Associate, and Family) count toward the number of members required for an SCA branch to maintain or advance its status?

If the above change is made, we must then consider what modifications, if any, should be made to the current minimum numbers required for an SCA branch to exist, or to advance in status.

The current minimum Society requirements (which have been in effect for some 20 years) are as follows:

Kingdoms	400 Subscribing members
Principalities	100 Subscribing members
Baronies	25 Subscribing members
Other branches (shires, cantons, colleges, etc.)	5 Subscribing members

These numbers were originally set with the idea that, in addition to the minimum number of subscribing members, each group would likely have a number of other types of members as well, which would help sustain the group. Therefore, the Board has discussed whether these numbers should be raised if all memberships count toward a branch's status.

At present, slightly more than 40 percent of our members are Associate or Family members. This percentage is fairly uniform across the kingdoms of the Known World, though it is somewhat lower in Drachenwald and Ealdormere. In order to attempt to maintain the current ratios, one option would be simply to raise the required number of members for each type of branch by approximately 40 percent. This would result in the following new minimum Society requirements:

Kingdoms	560 members (any type)
Principalities	140 members (any type)
Baronies	35 members (any type)
Other branches	7 members (any type)

The questions the Board would like the membership to comment on, related to this subject, are:

If all types of memberships count toward branch status, should the required numbers of members be adjusted upward?

3. Should these adjustments be for every type of branch, or only for certain ones? If only certain ones, please be specific. For example, one option would be to increase required numbers for principalities and kingdoms, but leave groups below the principality level as they are.

4. Is the 40 percent proposal cited above reasonable? We are particularly interested in hearing of specific examples of branches that this change might negatively impact.

Please note that, in the event the minimum required number of members for some or all types of branches is increased, there will very likely be a grace period for existing groups to meet the new numbers; that grace period would be at least a year, perhaps longer.

The only revision to the Governing Documents that this change would require is to Corpora, Section III.C.4-7, in which the word "subscribing" would be struck in the sections that explain how many subscribing members are required for that type of branch. If the numbers are raised, then the specific number would also need to be changed in each branch description affected.

It can't be stressed enough how much the Board appreciates input from the membership. When tackling issues such as the ones above, it is easy to miss subtle ramifications these changes may cause. Your comments will go a long way toward helping us make the best decision for the SCA. So please tell us what you think.

The deadline for commentary on this proposal is July 1. Please send your comments to

Greetings Outlanders!

Having just returned from the Heralds & Scribes Symposium, allow me to thank the Barony of al-Barran for hosting such a wonderful event. My thanks to the autocrat, Mistress Maria Sol de Leon and her team, as well as Mistress Caoilte Caitchairn who, with her wonderful kitchen crew, provided great food and drink throughout the day. Last but certainly not least, my sincere appreciation to those who taught scribal classes:

Arwen Southernwood, Averil du Bois d'Avignon, Caoilte Caitchairn, Eirene Tzimiskina Kontostephanina, Guillaume de Gonzac, Gwendolen McIver, Joella of Blue Lions Keep, Maria Sol de Leon, Monika von Zell, Omar Mohammud, Rhianwen o Enfys Disberod, Tatiana Pavlovna Sokolova and Wyndylyn Leanb na Doinneann.

The newest edition of the Outlands Scribe's Handbook is now available. A huge thank you to Mistress Maria Sol de Leon for her work as editor of this edition. My thanks to Mistress Tatiana Pavlovna Sokolova, Mistress Monika von Zell, Master Juan Balthazar Tegero and Mistress Anne Aliz de Bâle for their comments and support in this endeavor. Printed copies of the handbook are available for $8.00 per copy; please contact the Kingdom Scribe.

Speaking of the Scribe's Handbook, while it contains the approved, standard scroll texts for all awards, scribes are not restricted to these texts. If you wish to create a customized text, remember that Kingdom Law requires that all scroll texts must be approved by the Kingdom Scribe. Please do not consider this as an inconvenience; I would love to work with you to create custom texts.

As the Reign of Their Most Gracious Majesties, Hoegaarden and Chiara, draws to a close, I wish to thank the talented and generous scribes who have created scrolls for this reign.

Herald's Office—White Stag Principal Herald

From the Incoming White Stag Principal Herald

Greetings, Outlanders!

I will be stepping up as White Stag at Coronation on May 8th, and I look forward to working with the fine heralds in the kingdom. I would like to thank King Hoegaarden, Queen Chiara, Prince Giovanni, Princess Cainnleach, and Mistress Tatiana for the opportunity to serve in this capacity. I would also like to thank Mistress Tatiana for her hard work while in office and wish her the best in her new endeavors.

For scribes who will need me to sign scrolls containing arms, my contact information should be in the officer's listing in this issue. For heralds, you may expect to hear from me frequently, as I expect to hear from you often as well. Improving communication within the CoH is one of my primary goals. For the populace, I plan to submit material to the OH regularly, and I encourage anyone to send in a question for the White Stag FAQ. I may be contacted at sorchamacleod@yahoo.com.

Yours in service,

Lady Sorcha MacLeod

Herald's Office—Rampart Herald

To all the populace of the Outlands, may your tables full and your company cheery. I bear tidings from the Laurel King of Arms, François la Flamme, regarding the Letters of Acceptance and Return from both November and December of 2003. No Outlandish submissions were considered on the November LOAR. However, the Cover Letter contains an interesting ruling on difference between birds - heralds please note.

No Outlandish submissions were returned on the December 2003 LOAR - all items which were considered were accepted. From the Cover Letter, heralds please take note of important changes to RfS X.4.j.ii.! It is hopefully now easier to understand and use. Also, Laurel made an important ruling that, in the future, Laurel will **not** register separate arms for the Consort or for the heirs to the thrones for principalities and kingdoms. As the Consort is equal in power and rank to the Sovereign, the Consort will bear the same arms as the Soverign. Kingdoms may elect to allow both heirs to bear the Kingdom arms differenced by a label or other standard mark of cadency. *This does not affect kingdoms with existing arms for Consort and Heirs*, namely, the Outlands. Just something to be aware of.

On the December LOAR, Laurel accepted and registered the following:
Aedan MacAlastair. Alternate name Arimares Maçon.
Aigiarn Aljin. Name and device. Gules, three crescents in pall inverted horns to center argent between three mullets of six points Or.
Avram Ibn Gabirol. Device. Vert, a shofar reversed bendwise sinister and a chief argent.
Avram Ibn Gabirol and Hannah de Ávila. Joint badge. Argent, a pithon erect vert within a bordure embattled sable.
Ceara McCain. Device. Quarterly vert and gules, a hound statant within a bordure embattled Or.
Gervais le marinier de Narbonne. Device. Checky sable and Or, on a pile wavy throughout issuant from sinister gules a greyhound courant Or. *
Giovanni da Lucca. Name and device. Per pale azure and argent, a tower and a spider counterchanged and a chief counter-compony azure and argent. *
Hannah de Ávila. Device. Azure, a roundel between in pale a crescent pendant and a crescent argent.
Illaria Truue. Name.
Ivarr ffening. Name. *
Leofwin de Meslach. Name and device. Per chevron gules and argent, two oak trees and a step-cut gemstone counterchanged.
Natalia Vasilkovna Riazanskaia. Device. Vert, in bend a phoenix Or rising from flames gules and a natural tiger rampant tail nowed argent marked sable.
Renee Nix de Livingstone. Name and device. Ermine, a chevron inverted purpure between a phoenix and a cross formy gules

Seneschal's Office

Unto the populace of the Outlands does Master Adam Stedefast, Kingdom Seneschal

As they say, the only constant thing is change, and the kingdom has experienced a great deal of change. Within the seneschallate, THL Gwydion ap Llewyllen and Lady Rhiannon ferch Fychen have been called away to another kingdom and therefore, have stepped down from the Kingdom Hospitaller and Minister of Children positions, respectively. THL Gwydion held his post for almost three years and has gone a long way in promoting hospitality and recruitment. The total number of memberships in the Outlands is at an all-time high and His Lordship takes as his legacy, the crucial role he played in this feat. Lady Rhiannon has held what I consider to be one of the most controversial offices available and has done so with unstinting dedication and conviction. She has not only served as a voice for children's activities within this kingdom, but has served as the Outlands representative for children's activities at Estrella War. Beginnings are always the toughest and Lady Rhiannon's initiative in the fledging area of Outlands children's activities will be remembered.

THL Safwah al Basimah al Zarqah al Sabiah known as Sabia steps up as Kingdom Hospitaller and brings with her a history of holding office, running demos, and teaching classes on same and on many other topics. Lady Sara Beauchamp has just assumed the mantle of Kingdom Minister of Children and is already working on the policies recently required by the Board of Directors. She has an enthusiastically exciting vision for children's activities in the Outlands and I look forward to her future successes.

Also, Master Massimiliano has stepped down from a successful tenure as Chronicler, but continues to serve the kingdom well as Baron Caer Galen. His Excellency possesses a rare combination of organizational prowess and compassionate flexibility and I thank him for sharing his gifts. Baroness Emma of Essex, the new Chronicler has a history of organization and creativity, making her a very appropriate replacement.

Lady Seuilla de Cordoba has served the kingdom long and well as Minister of the Lists. She has been a pillar of strength and consistency in the running of organized and enjoyable lists. Lady Danica Memnjaviaea brings her years of experience and playful enthusiasm to this post.

One last officer change that has occurred by the time of this missive's writing is that of Chirurgeon. THL Bjorn inn Gauzki remained a cool and calming source of strength while holding a potentially taxing position. He excelled both as an administrator and field side giver of first aide. He is succeeded by Lady Monika the Fair who brings years of experience both in support of the Outlands Chirurgeonate and in her modern profession.

These officer changes are emblematic of the continued and increasing strength of the Outlands. Holding office is an act of courage, for it puts the in the limelight where successes are judged and the challenges are scrutinized. Oftentimes what makes it all worthwhile is a simple thank you. I would consider it a personal favor if everyone who comes by these words would seek the good gentles listed above and share with them your thanks. For that, I thank you.

In Service I remain.

Master Adam Stedefast

I need to let all of the hard-working seneschals of the Outlands and the very special Shire Waiver Secretaries know that my contact information has changed. I have a brand new post box that is waiting for the FLOOD of waivers that will show up soon. As of the writing of this message (end of March) I have only gotten the waivers from the fighter practices of Caer Galen and Bofharrach. So, if your group has had an event or a fighter practice since Jan 1st, please send your waivers to me! And, please, when you mail these waivers to me ,identify the group and event they are from. I have gotten a few waiver packages that have not had any kind of identification. I am still not sure what event or group they are from! I have started sending out postcards again as receipts so that you will have proof that I have received your waivers. If you do not get a postcard from me within a month of sending out your package, please let me know.

My new contact info is listed on the Kingdom Officers page.

From Giovanni and Cainnleach, Crown Prince and Princess of the Outlands

Unto the Populace of the Outlands, good greetings this fine Spring day.

Good fortune has overflowed our chalice allowing us to become the Crown Prince and Princess of the Outlands. We look forward to one day serving as your King and Queen.

The Kingdom has been blessed with growth. As a result, there are many good gentles unknown to us. We pray ask that you seek us out and introduce yourselves to us during our travels. It is our social bonds that hold the Society together and we are excited about gaining new ties.

We also have only limited resources with which to identify those good gentles deserving of rank and station. Please, should you know the good works and deeds of these gentles, take the time to complete an award recommendation and email it to us.

Baroness Ophelia has graciously accepted the position of Chatelaine (the head of our Royal House) for our Reign. Please accord her your time and respect as she will carry our voice in arranging for our travels.

One item of note: Her Highness is using this forthcoming Reign to help train Ladies in Waiting. As such, she will not have formal Ladies in Waiting. A Companion will be assigned to each event. They will seek out ladies at the local group who are willing to assist us and help train them in their role for that occasion.

We are overjoyed to be serving the Kingdom in this new role. We look forward to the summer tourney season. Our progress should be listed soon and we invite all to join us be it here in the Kingdom or in our more distant travels to Artemisia, Calontir, and to the debated lands between the Middle and the East.

Yours, In Service;

Giovanni

Fool's Tourney IV
Shire of White Mountain
May 15th, 2004

Site is DRY! (after revel is not!)

The date may have changed, but the fun has not! The fourth annual Fool's Tourney will be held once again in the Shire of White Mountain! We have some new things to try out on you this year, so come join us!

Lists for heavy fighting will open at 9 am; fighting will commence at 10 am, and will continue until noon.

Lists for light fighting will open at 1 pm; fighting will commence at 2 pm, and will continue until 4.

There will be children's activities scattered throughout the day, and coordinated by Lord Michael and Eilish.

A new official competition for this year is the Boasting Contest. Bring your best brag, and try to impress our judges! The Boasting Contest will be held from 12:30 to 1:30.

Prizes will be given for- heavy and light tournament winners, Boasting Contest winner, best death in both heavy and light, chivalry in both heavy and light, and most foolish display for anyone attending. As always, the fighting order will be determined by a most unusual means (sorry, no sack races this year!).

Directions: To get to the site, take your best route into Alamogordo, NM, and follow the signs for White Sands Blvd. The site is on White Sands, and, as always, look for the day-glo SCA signs. After-revel is open to all attending, and will be held at the home of Lord Michael and Lady Elspeth. Directions will be available on site.

While technically a ***one day*** event, overnight camping is greatly encouraged (anyone needing crash space please call ahead). Our defender list includes heavy combat, rapier combat, archery, our almost legendary Giant Cookie Tournaments, an Art n' Science competition, the evening Bardic after the Feast, and for the first time anywhere (as far as I know) the *Scholar of the Renaissance*- which is a chance for anybody to display their medieval knowledge (rules and the full schedule can be found at our website- thanks to Lord Padraig O Maiolriain for his outstanding help). Bring yourselves, your arms, your! skills, your knowledge, and your sense of fun *To The Last Scorpion.*

Mavis' Prize Tourney III
Shire of Plattefordham,
June 19, 2004

Mike Sedar Park, at the corner of Poplar and College, Casper, WY
Site is open from 10am to 7pm
Autocrat: THLady Mavis Reynebaud of Falcon's Keep (Joy Marsh) 307-237-1795,
229 E. Lathrop Rd. Evansville, WY, 82636, e-mail: lmavisr@alluretech.net
Site Fee: $7 per person over the age of 10.
There will a $3 discount with proof of membership.

Ah, Good Gentles, the third week-end in June will be here before you know it. I know Lilies War is that week-end, but, there will be many Gentles who will not be going and you are all invited to the Shire of Plattefordham to compete in Mavis' Prize Tourney. As in years past, this will be a tourney-within-a-tourney. There will be the Plattefordham Tourney which is open to all fighters and there will be Mavis' Champion Tourney which is only open to Plattefordham fighters. Each Tourney invites heavy weapons and light with a bardic competition to determine the winner for each should such a final competition be needed. We will have many pleasant ways available to kill all your friends. Besides the top prizes, an outfit of made-to-measure garb for each tourney, there will be other prizes for fine dying, chivalry and flattering THL Mavis.

Dinner will be pot luck. Bring enough of your favorite dish to feed 8 people and Plattefordham will provide dessert. Be sure you bring plenty of **non-alcoholic** beverages as there is no potable water in this part of the park. Because we will be right next to a busy street, this really isn't a safe place for pets.

Directions: Take the King's Highway (I-25) to Casper, WY. Take the Poplar St. Exit and turn South—toward the mountain. Drive until you see the park on the left.

Hospitaller's Office

Greetings onto the Populace of the Outlands:

I wanted to take a moment to introduce myself as I have just assumed the position of Kingdom Hospitaller. I have met any members of our Kingdom and hope to increase my acquaintances five-fold over the next year as I am looking forward to working with each and every one of you in my effort to continue the good works of past Kingdom Hospitallers, most recently THL Gwydion. His Lordship and his family have unfortunately been called upon to move to another
Kingdom and their absence will be felt by all. Safe travel onto his Lordship and his family.

If you are your group's hospitaller please contact me at your earliest convenience. I can be reached at ldysabia@aol.com or by phone at 505-896-3333 or 505-307-0554. Additionally, my snail mail address is 6132 Park South Pl. NW, Albuquerque, NM 87114. I will also be visiting as many groups over the next few months as I can. I would very much like to visit with any hospitallers or interested persons who will be at Coronation and would encourage one and all to attend Stags Con in July.

As a reminder, if you are cleaning out your garb closet for the upcoming tourney season please donate those garments you no longer wear to your local group so that we can encourage interested newcomers to attend events. I am very interested in hearing what the various groups are doing with respect to newcomers and demos and hope that I will soon hear tales of the hospitality of the Outlands. Remember though, if you are planning on doing a SCA demo, the demo must be approved by your group's seneschal and hospitaller.

Thank you
Safwah al Basimah al Zarqah al Sabbiyah (a/k/a Sabia)

Ministry of Arts and Sciences

Greetings unto the Fair Outlands! Once you are reading this missive I will have ended my sojourn as your A&S Minister and some other denizen of our fine Kingdom will have taken my place. I know that your new A&S Minister will do a finejob for our Art community and I hope that you will make him or her welcome.

By now the Kingdom A&S Competition will be done and a new Champion Artisan will stand before you. I hope that many of you were able to attend the competition and see the exquisite fruits of the labors of our Artists. I am, as ever, humbled by the diverse skills of people in our Kingdom and hope that in the past two years I have done some small part to promote and assist such a talented Populace.

Her Highness Cainnleach has expressed a wish to hold her Queen's Prize in October in the North of our Fair Kingdom. I hope that once a bid is accepted, those artisans in the Kingdom who might be shy of competing will turn their thoughts towards participating in Queen's Prize. It is a fun and rewarding event - it is wonderful to be able to display projects in such a friendly and learned environment. Stay tuned for more information about this year's Queen's Prize - entrants in years past have needed a sponsor and I am sure the same format will be in place this year.

Toujours a vos ordres for the last time,
Lady Margaret Hepburn of Ardrossan

Banner Tourney
The Shire of Windkeep
June 26th, 2004

Lyons Park, Cheyenne, Wyoming Site opens at 8:00 am and closes at 10:00 pm.
Fees: Site is Free. Children half price. Make checks payable to SCA-Windkeep.
Site is Dry.

Autocrat: Syr Rhys Afalwin (Larry Hammons) 10100 Ranch Road, Cheyenne WY 82009
307-632-1133 email: MasterRhys@aol.com

Good gentles of the Outlands, Harken. The Shire of Windkeep invites all to attend our annual Banner Tourney to be held on Saturday, June 26, 2004 from 10:00 AM till 3:00 PM. Valiant fighters will contest on the field with an Outlands Banner as the prize for the most flamboyant and chivalrous fighter in the lists (there will probably be a prize for the winner too, but showmanship is what counts). There will also be prizes for best death, best bereavement, as well as a contest for the best banner. Fencers are welcome. In order to enter the list, you must present a banner to the Mistress of the Lists and display it on the field. The banner does not have to be your own. The banner can display personal arms, historical arms, or be just plain decorative. HERALDRY COUNTS. Fanfares and demonstrations before combat are encouraged. This tournament is held in conjunction with Cheyenne Superdays 2004, which is an entertainment demonstration and craft fair held by the City of Cheyenne. It routinely draws 20,000 visitors each year. We ask all gentles to wear their finest tourney garb, bring their pavilions, arts displays, and show off the best of what our Society has to offer. There will be dancing for all interested, and an Arts and Sciences pavilion where artisans are encouraged to display and demonstrate their abilities.

Tourney Site: The grassy area adjacent to the Cheyenne Botanical Gardens in Lions Park. Take the Central Avenue exit from I-25 and follow the signs to Superdays. The site will open at 8:00 AM and close generally after 3:00 PM. Please arrive early enough so that armor inspection can begin at 10:00 AM with the tourney starting at 10:30 AM.

The tourney site is DRY. Pets must be on a leash, and under your immediate control. There is a lake very near, so please keep track of your children as well. You will be allowed to park along the site on Carey Avenue to unload, but you must move your vehicle immediately after unloading. Parking will be available in the lots adjacent to Superdays (tell the parking attendant you are part of the entertainment). The earlier you come, the better (closer) the parking.

Revel: Immediately after the day's activities, a revel will be held at the Gazebo in Lyons Park. The cooks of Windkeep will be providing culinary delights to satisfy both the stomach and the soul. The Gazebo is north of the tourney site. There will be directions at the tourney site. The revel site is dry. Please contact the autocrat for revel information.

The OH is printed presently with an 8-point font that allows for approximately 300 words in a one-half (1/2) page article, and 600 words in a one (1) page article. All event articles are allowed three (3) showings in the Outlandish Herald, one (1) of which MUST be the month of the event (i.e. A June event MUST run in the June OH). The other two publication months are typically the two months preceding the event. An autocrat may request publication more than two months in advance, but that publication will count against the two (2) publication limit. Additional printings may be purchased at the current advertising rates. Generally, event announcements must fit on 1/2 page in months prior to the event, and 1 page the month of the event. Announcements exceeding this size may be trimmed to fit. Look for this to be enforced RIGOROUSLY beginning with the November 2003 issue! Optionally, if you wish to exceed this limit, you can purchase space at current advertising rates. Where possible, please provide the Kingdom Chronicler's office with a prior month article, and a month of article fitting the above criteria for publication.
